of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the Presiding Officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the Commission or other agency against which the applicant seeks an award, but need not be served on any other party to the adjudicatory proceeding. If the Presiding Officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the adjudicatory proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Commission's established procedures under the Freedom of Information Act as provided in part 145 of this chapter. For that purpose, the applicant shall file a copy of its motion with the Commission's Freedom of Information Act Compliance Staff in the Office of the Secretariat, Washington, DC.

§ 148.13 Documentation of fees and expenses.

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by

any other person or entity for the services provided. The Presiding Officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 148.14 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the adjudicatory proceeding or in a significant and discrete substantive portion of the proceeding, subject to the separate hearing procedure pursuant to § 10.63(b) of this chapter, but in no case later than 30 days after the Commission's final disposition of the adjudicatory proceeding.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

(c) For purposes of this rule, final disposition means the later of

(1) The date on which an initial decision by the Presiding Officer becomes final pursuant to § 10.84 of this chapter;

(2) Issuance of an order disposing of any petitions for reconsideration of the Commission's final order in the proceeding pursuant to § 10.106 of the Rules of Practice;

(3) If no petition for reconsideration is filed, the last date on which such a petition could have been filed pursuant to § 10.106 of the Rules of Practice; or

(4) Issuance of a final Commission order or any other final resolution of a proceeding, such as a settlement or voluntary dismissal, which is not subject to a petition for reconsideration.

Subpart C—Procedures for Considering Applications

§ 148.21 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the adjudicatory proceeding, except as provided in § 148.12(b) for confidential financial information.

Commission or other agency against which an award is sought may file an answer to the application. Unless counsel for the Commission or for another relevant agency requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30-day period may be treated as a consent to the award requested.

(b) If counsel for the Commission or for another relevant agency and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the Presiding Officer upon request by counsel for the Commission or for another relevant agency and the applicant.

(c) Any answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the position of counsel for the Commission or for another relevant agency. If the answer is based on any alleged facts not already in the record of the adjudicatory proceeding, counsel for the Commission or for another relevant agency shall include with the answer either supporting affidavits or a request for further proceedings under § 148.26 of this part.

§ 148.23 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the adjudicatory proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 148.26 of this part.

§ 148.24 Comments by other parties.

Any party to an adjudicatory proceeding other than the applicant and counsel for the Commission or for another relevant agency may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the Presiding Officer determines

that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 148.25 Settlement.

The applicant may propose settlement of the award to the Commission before final action on the application, either in connection with a settlement of the adjudicatory proceeding, or after the adjudicatory proceeding has been concluded, in either case in accordance with § 10.108 of this chapter. If a prevailing party offers a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 148.26 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or counsel for the Commission or for another relevant agency, or on his or her own initiative, the Presiding Officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the Commission was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought. No discovery and/or evidentiary proceedings shall be permitted into the question of whether the agency's position was substantially justified.

(b) A request that the Presiding Officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why additional proceedings are necessary to resolve the issues.
